Head, Dept. of Lib & Inf. Science
S.K.M. University, Dumka

Introduction

SIDO KANHU MURMU University, Dumka came into existence in the year 1992 after bifurcating T. M. Bhagalpur University, Bhagalpur. The only mission of bifurcation was to focus and uplift the educational as well as social condition of the tribals and downtrodden. Previously there was no higher seat of learning in Santhal Parganas. This is the only University which is tirelessly spreading the light of education among the people of the area. Under the able leadership of the present Vice-Chancellor Prof. (Dr.) M.P. Sinha the University has touched many milestones and is ready to touch more in future. The University started its onward march with 13 constituent and equal numbers of affiliated colleges under its wings. Now two model colleges and two women's colleges are going to be established keeping in view to the spread woman education, which is the need of the hour.

The University started its journey of progress with some traditional courses. But with the passage of time and the futuristic view of the Vice-Chancellor, some vocational courses such as BBA, BCA, Library and Information Science & B.Ed. have already started. Since these courses are job-oriented and functional, the students are interested to take admission. The latest feather in the cap of the University is the launching of MBA & MCA courses. These courses are approved by the Humble Chancellor cum Governor of Jharkhand.
